Summary: Extraordinary session

Description: I am deeply disappointed you would try to influence the powers of the incoming Governor just because he is a Democrat. I have voted Republican many times and for YOU in the past but I do not support what you are doing. I will be watching how you vote on this issue and it will influence my vote at your next election. I THOUGHT YOU WERE BIGGER THAN THIS PARTISAN BS....am I mistaken?

Issues:

2017-2019 Legislative session
