Subject: RESTRICTING POWERS

Dear Rep _____, as a voter, who for over four decades voted for Republicans, I have recently started voting Democrats. Republicans have lost touch with the people of Wisconsin.
YES, you still get voted in, but only because millions are being spent by outside sources. Tammy Baldwin and Tony Evers got in because people are fed up with politicians whose only thought is getting re-elected. It didn't work for Scott, Start working for WISCONSIN, or figure where your next job will be.
