Re: "Lame Duck" Session

I cannot express my disappointment with your vote to limit the incoming governor and attorney general. Your support of this despicable and frankly immoral decision is insult to the voters of Wisconsin. You have treated the voice of the voters of the state of Wisconsin with disdain, and have put political power over honesty and fairness. The Wisconsin Republican party, the party of Lincoln and Reagan, has become an embarrassment to itself, the state, and the nation.

You have lost my vote - and more importantly, my respect.

Sincerely,
